

BAPTISMS IN POINTE-NOIRE

On the morning of 19th August 2017, His Grace Panteleimon, Bishop of Congo-Brazzaville and Gabon, performed the baptisms of ten newly-enlightened indigenous people, of all ages (amongst them a family of six), from the Parish Community of St Dimitrios in Pointe-Noire, in the outdoor baptistry at the Holy Cathedral which is under construction.

Prior to the end of the Holy Sacrament the Bishop theologically interpreted this to the catechumens and gave them paternal advice and admonitions for their new lives as active members of the Church of Christ.
