

CONTRIBUTION OF MEDICINES TO A HOSPITAL IN THE CONGO

On 2nd April 2015, His Grace Pantelelimon, Bishop of Congo-Brazzaville and Gabon, accompanied by the Hierarchal Vicar General, the Reverend Protopresbyter Maximos Oumba, visited the LOANDJILI General Hospital in Pointe-Noire, where he donated a quantity of medications for the needs of the needy patients being cared for there.

These medicines, which were enthusiastically accepted by the Directors of the Hospital, are a contribution of love to the Holy Diocese, from the Honorable Mr. Christos Kylikas, who is in the pharmaceutical industry, a non-salaried Consul of the Republic of Congo-Brazzaville in Greece. A tour of the hospital and wards was then undertaken, with His Grace having the opportunity of speaking with patients and exchanging wishes.
