

ONE DAY WITH THE CHILDREN OF DOLISIE

On 18th June 2015, His Grace Panteleimon, Bishop of Congo-Brazzaville and Gabon, went for a day to Dolisie to visit the children who are under the care of concern of the local Church of the Congo.

During the day, which was entirely dedicated to the children, the Bishop had the joy of extensive communication with the young pupils who go to the "Light of the Nations" Orthodox Primary School, as well as with the children who are cared for at the "St Efstathios" Diocese Orphanage, bringing them also the prayers and love of His Beatitude Theodoros II, Pope and Patriarch of Alexandria and All Africa,
