

## **PROGRESS OF THE BUILDING WORKS ON THREE CHURCHES IN THE HOLY DIOCESE**

Photographic images of the progress of the building works of three parish Churches of the Holy Diocese of Congo-Brazzaville and Gabon.

1. The last roof tiles on the roof of the Cathedral of St Dimitrios were placed today, January 30, 2016. The aluminium windows are put in place.....the Cathedral of the Orthodox Church of the Congo is progressing.
2. Holy Parish Church of St Fotini in Pointe-Noire (photo April 2015). The roof was completed last year. Already the aluminium windows have been installed.
3. Holy Parish Church of St John the Baptist-St Nicholas in the city of Impfondo. The first Orthodox Church in Northern Congo. God willing, the works will be completed soon.
