

PUBLICATION OF THE DIVINE LITURGY AND THE POCKET DIARY 2016 OF THE HOLY DIOCESE

With particular joy the Holy Diocese of Congo-Brazzaville and Gabon presents the publication of the Divine Liturgy of St John Chrysostom in French, together with the Pocket Diary for 2016.

The printing of the Divine Liturgy together with the pocket Diary 106 of the Holy Diocese, is part of the new publishing efforts of the local Church for the spiritual advancement of the faithful, so that in time all the Holy Services can be printed, so that Christians can actively participate in them and to have them available at home too.

The publication is blessed by Patriarchal Letter, by His Beatitude Theodoros II, Pope and Patriarch of Alexandria and All Africa, and the prologue on an analytical interpretation of the Divine Liturgy is by His Grace Panteleimon, Bishop of Congo-Brazzaville and Gabon. The costs of the publication were covered by an anonymous donation of a brother to the Church of Congo-Brazzaville, through the Brotherhood of External Orthodox Missions, Thessaloniki.
