

SUNDAY OF THE HOLY FATHERS AT THE PARISH OF ST FOTINI

Photographs from the Divine Liturgy at the under construction Church of St Fotini, in the Mpaka District of Pointe-Noire, where his Grace Panteleimon, Bishop of Congo-Brazzaville, preached the homily and inspected the progress of the exterior painting of the Church.

The Parish of St Fotini is one of the three Orthodox Parishes in the city. The Church is one of three being built in the Diocese. The other two are the Cathedral of St Dimitrios in Pointe-Noire and the Transfiguration of the Lord in the city of Nkayi.
