

THE 2018 DIARY OF THE HOLY METROPOLIS

With particular joy the Holy Metropolis of Congo-Brazzaville and Gabon presents its 2018 pocket Diary, together with the Supplicatory Canon to the Most Holy Theotokos.

The printing of the popular "Supplications" together with the 2018 pocket Diary – which also contains a addenda on the administrative structure of the Holy Metropolis – is part of the publishing efforts of the local Church for the spiritual progress of the faithful, so that over time all the Sacred Services can be printed, to enable the Christian faithful to actively participate in them, but also to use them in prayer at their homes.

The edition is blessed by Patriarchal Letter from His Beatitude Theodoros II, Pope and Patriarch of Alexandria and All Africa and the foreword is by His Eminence Panteleimon Metropolitan of Brazzaville and Gabon.

Grateful thanks are due to His Eminence Nicephoros of Kinshasa formation and willingly giving the feast days in French.
